

Girls Wardrobe 2017

Policy

At CTTH, we believe that a neat and orderly appearance enhances the focus, concentration, and mood of a learner. It also creates a sense of purpose and respect for the student's daily task of study and education, and a professional and academic environment conducive to learning and growth.

Our students are the de facto ambassadors of a Torah education in the city, and must dress the part. Being presentable, neat, and clean is a great Torah value, as it says in the Talmud, "Cleanliness leads to purity, holiness, and humility" (Yerushalmi Shekalim 3:3).

We ask all CTTH parents to please help us maintain a respectable dress code at school, that strikes a balance between absolute uniformity and individuality, as per the ethos of the Cape Town Torah High. We reserve the right to enforce wardrobe infractions by denying admittance to class.

The designers name is Linda - 082 707 6609. Please feel free to be in touch with her directly. She is open till the 16th December and opens again in January. Alternatively, please fill in a printed version of this order sheet and hand it in by the latest Thursday morning the 10th. I am buying material and placing orders on Thursday at 5:30. Orders are subject to availability.

Sheila Valentini, Principal.

Be sure to take measurements please. See end of document
